

Smart Group Recruitment Solutions – Finalists for the Lester Aldridge Best Management Team of the Year 2005.

Established in 1999, Smart Group Recruitment Solutions is the south's leading independent recruitment industry, providing quality recruitment practices and solutions to local businesses and candidates. The whole team at Smart Recruitment are delighted to have been successful in reaching the final of the Dorset Business Awards in the category of Best Management Team.

Smart Group Recruitment Solutions services a catchment area which encompasses all corners of Dorset. The company has a network of five branches, four in Dorset and one in Yeovil, and currently employs more than 50 staff. The success and exceptional growth Smart has enjoyed since 1999 can be attributed to each of the founding Directors, Helen Stacey, David Nichols, and Paul Lovesy, who have taken up specific remits within the business. In practice, this means a sharing of key responsibilities between the management team and the achievement of more time dedicated to providing quality services than perhaps could be realised by a single owner manager.

The Smart service is broad covering a diverse range of products, services and industries. Candidates and clients benefit from the company's branch network which is technology driven through the Smart database; this links to every desk in every branch, providing instant access for candidate skill matching, availability and positions available.

With turnover in excess of £10 million, the Smart story has been successful since its launch in 1999 and bodes well for further growth as it heads towards its 7th anniversary.
