

'Joy' for Smart Recruitment

There can be few companies who value personnel more highly than a recruitment agency who deal with placing candidates in key client roles on a daily basis. So when it comes to their own staff, Smart Recruitment quickly recognise talent when they see it. Joy Bruce started working for Smart Recruitment four years ago and has since been promoted 4 times in as many years.

Respected and valued by clients and her own team alike, Joy has made a valuable contribution to Smart Recruitment having been promoted from Branch Administrator to Account Coordinator to Senior Temps consultant and now this latest promotion as Branch Manager.

Helen Stacey, Director of Smart Recruitment comments, "We are all delighted with Joy's progress through the ranks. Joy was on the staff as a temp when we acquired Pearcy Personnel in 2004. In the last four years Joy has come on in leaps and bounds and makes a significant contribution to the team. We hope to have rewarded all her hard work and achievements with this latest promotion which is a senior position within a fast paced, rapidly expanding business. It's fantastic to have been able to promote from within and reward Joy's dedication and hard work."

At 24 years of age, Joy is making significant progress in her career. Born in Johannesburg and married to a fellow South African, Joy describes herself as a social animal with a full family life which she thoroughly enjoys. When not working, Joy can be found working out at the gym or catching up with friends. With significant Recruitment qualifications to her name, Joy is firmly focused on her career and keen to continue realising her ambitions at forward thinking Smart Recruitment.
