

Hospitality at Smart Recruitment

Smart Group Recruitment Solutions has recently extended their portfolio of services by establishing a specialist Hospitality division. Already recognised for their exceptional service across each specialist recruitment division, Smart Recruitment is extending their services to encompass the highly competitive hospitality sector.

As Christmas and New Year loom the party season is undoubtedly one of the busiest times of year for the hospitality industry and Smart Recruitment are here to help clients and candidates alike.

Helen Stacey, Director of Smart Recruitment comments, "We are really excited to have launched this new division at this festive time of year. From catering staff to cleaners, we already have a number of keen candidates on our database for clients looking for any aspect of hospitality work required. Our professionalism across all the specialist sectors we operate in speaks volumes about our ubiquitous capabilities. This new division extends and enhances our offering meaning clients and candidates alike are able to rely on the efficiency and expertise which is synonymous with the Smart Recruitment name."

Helen continues, "Smart Recruitment has been acknowledged as fully compliant with The Employment Agencies Act and Conduct Regulations 2003 and REC Code of Good Recruitment Practice. Welcomed by the DTI, REC Audited is the most comprehensive regulatory audit of its kind, demonstrating that agencies are conducting their business lawfully and ethically. We are of course delighted to be given this accreditation which reassures anyone conducting business with us that we are not only industry compliant but have attained the highest accreditation level possible."
