

NEW 'SMARTIE' JOINS SMART PLUS

From Kazakhstan, Uzbekistan and Kirgizstan to the shores of the South Coast of England, Tristram Jelley's journey in the world of Recruitment has not been without its excitement. And now that he has joined thriving Smart Group Recruitment Solutions, Tristram hopes the excitement will continue apace as the company continues to expand.

"My career has taken me all over the world. Most recently I was based in Central Asia specialising in placing local nationals with International companies. My new role is as Sales Development Executive with the 'Smart Plus' division based in Poole. Part of my role is to grow the IT and White Collar vacancies side of the business whilst expanding the division with new staff and growing the temporary and project side of 'Smart Plus'. I am delighted to be back in the UK to continue my career with a company I recognise as being the most prestigious and largest local recruitment agency in the area" comments Tristram.

Tristram still thoroughly enjoys travelling and continues to spend time in South East Asia and increasingly Italy whenever he gets the chance. A keen sports enthusiast Tristram enjoys horse riding, swimming and keep fit, peppered with culture trips to museums when his busy lifestyle allows him.

David Nichols, Director of Smart Recruitment comments, "Tristram is a real asset to the team bringing with him years of international recruitment experience. We are delighted to have him on board and look forward to his drive and commitment having direct results for 'Smart Plus' as the division expands. As with all our specialist divisions the emphasis for 'Smart Plus' is on offering a recruitment service above and beyond any other. Smart Recruitment is about delivering a specialist service which adds value to our clients and candidates alike."
