

Smart Directors Announced as Best in Dorset Business

Dorset's largest independent Recruitment agency, Smart Group Recruitment Solutions has recently been awarded the prestigious title of 'Best Management Team' in the most hotly contested category of the Dorset Business Awards 2006.

The celebrated awards were announced at a nail biting gala dinner held at The Pavilion in Bournemouth for over 500 business guests recently. Entrants from each category were shortlisted to 3 finalists but competition was so great for the 'Best Management Team' award that 4 finalists were chosen, including 'Bournemouth University', 'Ceuta Health Care' and popular children's charity 'Julia's House'. Smart Recruitment was announced as the overall winner.

Helen Stacey, Director of Smart Recruitment comments, "This is a prestigious business accolade which really makes an impressive statement about the evolution of Smart Recruitment over the past few years. The management team now includes Rachel House who has been promoted to Associate Director allowing the rest of our roles to diversify and evolve. We have a concrete business plan for the next five years to 2012 and receiving this award has really helped motivate the team and concentrate our minds on achieving future business goals across Dorset."

The receipt of the 'Best Management Team' award saw Smart Recruitment's Management Team demonstrating key business skills including dynamism, originality, innovation, motivation, leadership and financial awareness. These values continue to be at the heart of Smart Recruitment and the team's grasp of these essential management tools is being demonstrated and deployed throughout the organisation, allowing Dorset's largest independent recruitment agency to go from strength to strength.
