

## **SMART RECRUITMENT CELEBRATES SUCCESS IN YEOVIL**

Award winning Smart Recruitment has a lot to shout about in the streets of Yeovil. Part of the Smart Group Recruitment Solutions company, which boasts 5 high street branches across the South West, the Yeovil branch opened for business in November 2004 and has gone from strength to strength ever since.

With specialist consultants in Industrial and Office placements, Smart Recruitment is well placed to help any job seeker in their quest for that dream job. Office placements include opportunities across a spectrum of exciting industries from personal assistants to reception work to data entry, accounting roles, human resources, and marketing.

Sarah Hellings, who went to Smart Recruitment for help and support in finding a new job, couldn't be happier with the service she received;

"Within days of registering with Smart Recruitment they had found a temporary job for me in Yeovil. When I started my placement, staff from Smart Recruitment were really supportive and called regularly to ensure I was settled. After five months of working with Smart I was offered a permanent post and couldn't be happier in my new role. The overall experience with Smart Recruitment was efficient and professional. I couldn't recommend them highly enough."

An innovative company, Smart Recruitment's approach to the industry is to lead by example in an uncompromising and forward thinking manner. With branches in Poole, Bournemouth, Christchurch, Dorchester and Yeovil Smart Recruitment is well placed to assist clients and candidates alike with any recruitment needs.
